

## Work tent 200 x 200 x 200 cm

### Characteristics

Length (cm) : 200

Width (cm) : 200

Height (cm) : 200

### Benefits

- Durable.
- Easy to put up.

## GENERAL INFORMATION

### Description

This construction tent protects equipment against bad weather, letting you continue work despite rain, wind or cold. The translucent canvas lets light through, meaning electricians can see the difference between different colours and carry out installations, maintenance work and assembly in total safety.

### Technical details

Polyester canvas.  
Waterproof coating.  
Fireproof.  
UV 50+ resistant.

### Application(s)

For different types of work such as:

- Electric work
- Laying copper or fibreglass cables
- Expansion of network cables

## LOGISTIC INFORMATION
